

SOMERSET SHARKS V L'TON UNITED

Reserves 20/08/2011

We went into this game after a 2 week break and with 4 changes to the team that beat Rangers, it took 25 minutes for us to settle and get run into our game.

United had the better of it early, we were at sea in the back and their height and leg speed caused us problems on the break which resulted in them taking an early lead. Bobby, Ribbs and Ackers started to win midfield we were running and the chances started to happen, Bobby scored followed with another by Ackers, we were playing running passing soccer and it was looking good. Late in the half United equalized to send us in 2/2.

United came at us hard at the start of the 2nd half our defense had settled Lobster Hartley, General Stuart, Froggy Jordan, Milky Bar Kid McDougal and D rag Cooley stood firm and strong, soaking up the pressure they applied. Stewie, Ace Hood and Lockie worked hard up front. Enter Mr Jordan Blizzard on for Lockie and with probably his first kick scored a well taken goal and it was game on as both teams ran the ball forward. Joel came on for Ace Hood Hooper and settled, we were running again Stewie was winning more ball Jordie and Bobbie were linking up well, Bobby scored to make it 4/2 then scored another cracker to get his hat trick and give us a well fought out 5/2 win.

Good team effort.
